

YOU'RE INVITED!

IT/ACTUARIAL DAY

@AUTO-OWNERS

IT/Actuarial Day is an onsite visit to the Auto-Owners Insurance headquarters in Lansing. You'll learn more about our IT and Actuarial divisions through presentations, a visit to a workspace, a networking lunch (provided by Auto-Owners), Q&A session, and optional breakaway table visits to talk with specific departments. The event covers information on our career and internship opportunities, the technologies we use, and projects we work on. This is a once-a-year experience - don't miss out!

Sophomores, juniors, seniors and recent grads majoring in the following areas are invited:

- Computer Science/Engineering
- Information Technology/Systems
- Information Security/Assurance/Intelligence
- User Experience Design
- Actuarial Science
- Predictive Analytics
- Math and Statistics
- Data Science

Come see how your degree is used in the insurance industry!

(You must be eligible to work in the U.S. without current or future sponsorship.)

[REGISTER HERE](#)

DON'T WAIT! Registration deadline is Monday, October 14 and space is limited!

QUESTIONS? Email us at mclaughlin.erin@aoins.com or alashari.matthew@aoins.com

Free parking will be available in our associate parking lot (signs will be posted).

Check us out ahead of time at auto-owners.com!
