

2025 Possibilities Summits

Embark on our empowering year-long journey with our Possibilities Summits virtual program. Our program paves the way for your future success by forming lasting connections, cultivating top industry skills, and helping you discover the wealth of opportunities available at Goldman Sachs. All are welcome to apply.

First-year undergraduate students graduating between December 2027 – June 2028

Unlock your potential by:

- Visiting our careers site to learn more about Goldman Sachs and the career opportunities we provide across all of our divisions and office locations
- Boosting the “story of yourself” to showcase your unique assets
- Enhancing your professional skills by accessing a variety of educational tools
- Experiencing a year like no other by connecting with thousands of peers nationwide and building long-lasting relationships with your summits
- Gaining exclusive knowledge on refining resume and interview skills to increase your career prospects and access additional campus recruiting opportunities
