

Join us for our exclusive virtual

# Speed Networking Events

Are you eager to explore a specific career within STEM or Business? Looking to expand your professional network? Join us to engage in **one-on-one and small group conversations** with **international experts** from high-growth companies across the U.S.

You'll have the chance to join **industry-specific virtual Speed Networking Events each month**. In just one hour, you will connect with multiple experts in a specific field, gain valuable insights, and ask any career-related questions in a friendly and dynamic setting.
